Plan Your Own Funeral NOW!

More than 120 people were privileged to hear Fr. Robert Ryan at the Tri-Parish event on Thursday, November 10. Fr. Ryan's "walk through the funeral liturgy" was lively, enlightening and well-received. From the use of the casket in the middle aisle of St. Joseph's church (provided by Donnellan Family Funeral Services) to the answers to people's many questions during the Q&A, Fr. Ryan cleared up misconceptions and opened us to the depth and richness of the funeral rite.

The livestream recording is still available on the Saints Joseph and Francis Xavier YouTube Channel. Use the QR code for access.
