

The *Virtual* Giving Tree

Thank you for your generosity and support as we take our **Annual Giving Tree** tradition virtual this year!

Building on the enormous success last year,

FHC's annual **Giving Tree tradition** will be offered virtually. **Your support is needed this year more than ever!**

Faith Hope will continue to offer our **four time-honored Giving Tree** opportunities again this year...

Let's *virtually* spread the joy of Christmas anew!

All gifts must be delivered (unwrapped) to the **FHC Parish Center Lobby** no later than **Sunday, December 12th**.

Please note that **all clothing and toys must be NEW** - no used items, please.

The **Parish Center Lobby** will be open for **gift drop-off** during the following times:

During **ALL** Masses

Monday - Friday 10am - 7pm

Saturday & Sunday until 6pm

St. James Adopt-a-Family - this Giving Tree commitment is being replaced with the **Target \$50 gift cards**. We need **250 cards** to fulfill our annual commitment to the families of St. James Parish. Thank you for your generosity!

Jewel Gift Cards - these grocery cards benefit the communities of St. James Parish & St. Thomas of Canterbury Parish. FHC does a bulk purchase of these gift cards (at a discounted rate!), so we would ask that you please visit our website or www.GiveCentral.org/location/31/event/28323 to donate online towards this bulk purchase.

COURAGE Program - this Giving Tree commitment, **toys** for various ages, serves single moms through the **COURAGE Program** whose ultimate goal is to launch healthy families through education, mentoring and counseling. Please remember that **all toys must be new** and delivered unwrapped.

St Thomas of Canterbury Basic Necessities - this Giving Tree commitment continues this year seeking socks, underwear, t-shirts, sweaters/fleece, hats & gloves. These items are distributed directly to those in need through the **STC Outreach Ministries**.
