and when he was set, his disciples came unto him:  
And he opened his mouth, and taught them, saying , . . .”

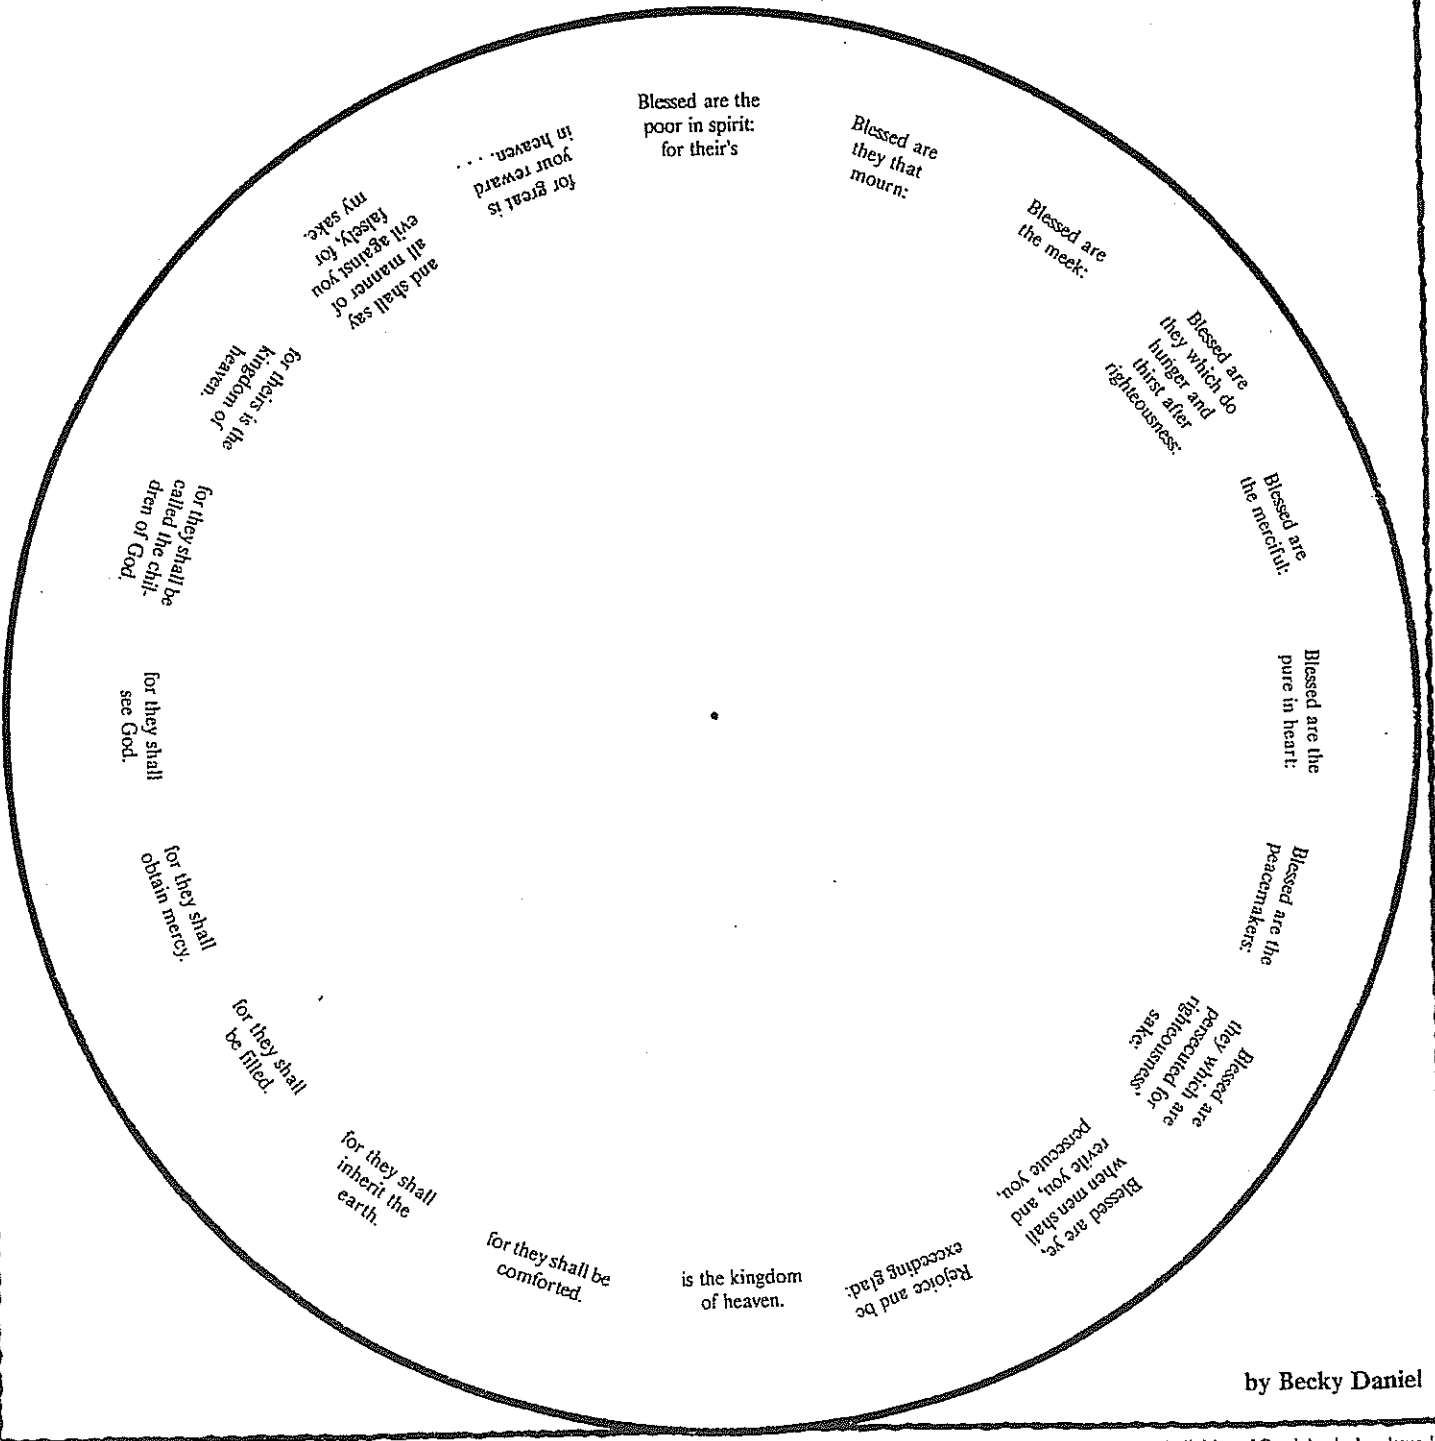

Matthew 5:1-12

To create a handy aid for memorizing the Beatitudes, read the instructions found on page 14.

# BEATITUDES WHEEL

1. Reproduce a copy of pages 13 and 14 for each member of your group.
2. Children are to cut out both wheels. The window at the top of the wheel on page 13 should be cut out completely. The window on the bottom of the wheel should be cut on the three solid lines and folded at the top to form a tab that can be lifted.
3. Color the wheel found on page 13.
4. Placing the top wheel over the bottom wheel, put a brad fastener through both wheels in the center so that the top wheel turns.
5. Children line up part of a verse in the window at the top and lift the window at the bottom to reveal the second part of the verse.
6. Encourage children to attempt completing the verse before lifting the window to check their answers.
