Dear Sisters and Brothers in Christ,

This past May, our Holy Father Pope Leo XIV issued his first encyclical letter entitled *Magnifica humanitas: On Safeguarding the Human Person in the Time of Artificial Intelligence*. We stand at a decisive moment in human history, and the Church offers teaching and guidance that can draw us into a healthy future. To serve that future, we also need holy and wise priests. Be aware that we all share responsibility to foster and support vocations to the priesthood.

In the Archdiocese of Chicago, some of our seminarians are in the pre-seminary spiritual year at Bishop Quarter House in the city. Others are completing their college studies at the University of St. Thomas in Saint Paul, Minnesota. Finally, those in the last four-year phase of preparation are being formed at Mundelein Seminary. Again, supporting vocations to the priesthood is a task that belongs to all of us in the Church. You can express that support in four ways:

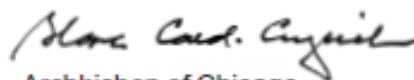

- Pray for vocations and our seminarians in preparation
- Encourage those seminarians serving in your parish
- Urge young men to give their lives in service as priests, and
- Make a financial contribution to support our programs of priestly formation.

Prayer, encouragement, recruiting and financial support—all these actions express our gratitude to God for the gift of priestly ministry. These actions also build for the future of our Church and for our children and grandchildren. I would note that given that our seminarians need to invest themselves totally in formation, they are not able to work. Thus, it is up to us to cover the costs not only for their education but other expenses such as health insurance and other personal support.

An offering envelope is in your pew or at the back of the church for your financial gift. You may also send your donation directly to your parish, noting that it is for "Seminarian Education," or you may make a gift online at archchicago.org/seminarianfund. If you wish to make a gift to support seminary education in memory of a family member, as others have done, do not hesitate to contact Kirsten Trybula at ktrybula@archchicago.org or at 847.899.0010.

Thank you for your generous response and may God continue to bless you abundantly.

Sincerely yours in Christ,

Archbishop of Chicago

Aid for Women Satellite Benefit Dinner

Wednesday, September 30, 6pm | FHC Parish Center

On **Wednesday, September 30**, FHC parishioners will host a **Satellite Dinner** coinciding with Aid for Women's simultaneous Annual Benefit Dinner at Chicago's Union League Club.

Since 1978, AFW has helped thousands of Illinois women who find themselves troubled by an unexpected pregnancy. Each woman is given the emotional, practical, and spiritual support she needs to choose life for her unborn baby and to provide a better future for herself and her child.

Aid for Women's services are needed now more than ever. In fact, client visits have increased more than 20% in each of the last two years, and AFW expects to serve more than 11,200 women in 2026. The Annual Benefit Dinner raises critical funds for AFW's eight pregnancy care centers and two live-in maternity homes.

Join us, as we enjoy dinner and a livestream of the downtown benefit program.

- The Keynote Speaker will be **Ben Domenech**, TV commentator, radio host, and Editor-at-Large of *The Spectator World*.
- The 2026 Praesidium Vitae Award will be presented to **Thomas Brejcha**, Founder and Chief Counsel of the Thomas More Society.
- The delightful **Elizabeth Westhoff** will serve as Emcee.

There is no charge for this dinner. The hosts ask only that you make a donation.

Seats are limited. To reserve yours, please email John McEnroe at jmcenroe561@comcast.net, no later than September 23.

Dear Parishioners and Catholic School Families,

As our children head back to the classrooms, I am writing to you about a significant opportunity to find additional funds to both public and nonpublic schools in our state. Congress passed a new federal tax credit program for 2027 that could generate hundreds of millions of additional dollars for both public and nonpublic school students in Illinois. For Illinois to participate in the program, Governor Pritzker must opt in.

As an advocate not only for Catholic education, but also for the education of all Illinois children, I ask that you contact the Governor to ask him say "yes" to this program. It will give Illinois taxpayers the choice to contribute to programs that will help all children in our state *and* receive a federal tax credit for their donation. These funds are truly needed. They could help Catholic school families cover tuition, after-school programming, supplies, technology or other much needed items. Donations could also be directed to support programming and other needs for public school students and their families. It could benefit just about every child and every school in our state.

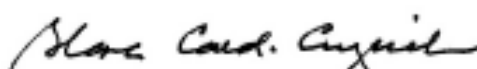

If Governor Pritzker does not opt in, you can still donate to programs such as this, but to receive the tax credit, you will need to donate to a school program in another state. Recent polling suggests that in one year, as much as \$2 billion could be generated to boost education programming in our state. According to that same poll, if Illinois does not opt in, Illinois taxpayers may send as much as \$1 billion for educational services in other states.

The program allows taxpayers a 100% federal tax credit for contributions up to \$1,700. Any family earning up to 300% of the regional median income may qualify for scholarship assistance. This means more than 90% of all K-12 students would be eligible for support in Illinois.

According to our polling data, Illinois taxpayers will contribute to the program regardless of whether Illinois opts in or not. Shouldn't Illinois dollars benefit Illinois school children?

Please visit <https://www.ilcatholic.org/federal-scholarship-tax-credit-program/> for more information and to learn how to send a message to the Governor and ask him to opt-in to the Federal Scholarship Tax Credit. You can also call the Governor's office directly at 217.782.6830.

Sincerely yours in Christ,

Archbishop of Chicago

OPT IN FOR OUR KIDS

Stronger Together. **Better for Illinois.**

A federal tax credit scholarship program for K-12 Education

- **Benefits ALL types of schools.** Can add up to almost **\$2 billion** in new resources to public and private schools. **It doesn't take from existing funding.**
- **Supported by Illinoisans.** Nearly 7 in 10 Illinoisans support opting into this program.
- **Keeps Illinois dollars here.** If Illinois doesn't opt in, it has been reported that people will donate up to \$1 billion to schools in other states to receive the tax credit.
- **Opportunity** for public and private school families to work together for a common goal – to support ILLINOIS kids.

It's a tax credit. It's voluntary. It's popular. It works.

HOW IT WORKS

- Taxpayer contributes to a scholarship granting organization which uses the funds to support scholarships for K-12 students.
- Taxpayer receives tax credit for their donation.

WHO BENEFITS

- Students from ALL backgrounds
- Kids in public, private and faith-based schools.
