**Pope Leo and the Future of Our Church**

Fr. Enzo DelBrocco, President – Catholic Theological Union

Our Tri-Parish event on Monday, January 12, held at Divine Mercy Parish, was attended by over 100 people with many more watching the livestream. Fr. DelBrocco was engaging and informative and we are grateful for everyone's interest in this topic.

If you were unable to hear it then, a video recording is now available. To access it, go to: [www.divinemercynorthshore.org](http://www.divinemercynorthshore.org). IMPORTANT: Please scroll down to *Worship With Us*, then press "play" to view the event live. NOTE: In the first half of the recording you may experience issues in the quality of the video (buffering) until about 7:25pm. The talk began just after 7:00. We regret the technical difficulty but believe you can enjoy Fr. DelBrocco's talk nonetheless.
